

PRESIDENT REPORT

Our 2009 Season was very competitive with all teams having been placed in their proper category by each club which made the division a lot closer, however there are always a few teams that can not adjust or compete within their division.

Over all the season was very enjoyable for all teams and we look forward to a better 2010 for all teams involved.

Our Mini League office staff, Katie Capron did a great job along with all of the other office staff.

Thank-you all

Yours in Soccer,

Jean-Claude Cadieux
President
