Proposed Text:

All players and **team officials** on a team must be in possession of a valid OSA Registration Book to be eligible to play/**or sit on the bench**. (Player/**team official** books must bear **their** signature and district association approval). Their books **and game sheet must be available and checked** by the opposing team official fifteen (15) minutes prior to the kick-off. **Books must be checked against the game sheet. Game sheet should NOT be signed where “books were checked” if in fact they were not. No “game protest” will be entertained if books were not checked in the proper manner. If it is found that books were not checked but the game sheet indicates otherwise, then the club will be fined as per Appendix “A”. It is up to the team officials to ask the referee to make the game sheet available to them at all times so that late arrivals are given the opportunity to place their signature accordingly.** If a players **or team official’s** registration book is not presented the player will not play **and the team official may not sit on the bench**. A player **or official** arriving late will be allowed to play **or sit on the bench** upon presentation of his/her registration book to the opposing team official.
