SRSL Rules regarding Uniforms Rule 8

The SRSL has received several inquiries regarding Uniforms. To assist in clarifying these inquiries we have put together the following for clarification:

SRSL Rule 8B: Read as follows:

All Teams must play all their SRSL games in their primary registered team colours

SRSL Rule 8D: Read as follows:

The home team shall change to an alternate strip if team colours conflict.

Clarification:

This means that for all games teams must wear their primary registered colours.

The only time the alternate can be worn is when a conflict occurs, then the home team must change as per the rules.
