The Pyramid for Play for soccer in Ontario is a hierarchy of leagues structured to provide opportunities for every player to play soccer at a level appropriate to his/her skill and ability, from the Club level to the Provincial level. The South Region Soccer League (SRSL) represents the largest segment of this hierarchy in the area for youth soccer, combining teams in the Peel, Halton, Hamilton, and Niagara regions. Teams progress from the club level through 3-6 divisions in the SRSL, to the single division in the Ontario Youth Soccer League (OYSL).

The SRSL is proud to offer players the opportunity to enjoy the sport, while increasing their skill level through competitive league play. The creation of this award will continue to support soccer players in their pursuit of excellence, in both their studies and in life.
