Re: Video/Photography

The SRSL has received several inquiries this season with regards to Video taping and photography of players during SRSL games.

The SRSL currently has no rules regarding this issue.

This item will be added to the Agenda of SRSL's next AGM in January 2011 to discuss with all member clubs.

At this time we would simply ask that if an individual request that video taping of their team/player be stopped that this request be acknowledge and respected.

Thank-you

Office Coordinator on behalf of the SRSL Executive
